RE: Personal Property in the Common Areas
Date: October 30, 2020

Dear Shareholder(s),

Please be advised that no storage of any kind is permitted in the hallways or staircases. No bicycles or other personal items whatsoever shall be kept at the apartment entrance, nor shall anything be hung from the windows or placed upon the window sill. No tablecloths, clothing, curtains, rugs, mops or dust cloths shall be shaken or hung from any of the windows, lobbies or other public areas of the Building.

Storing personal items is an HPD violation #538, which requires removal of the encumbrance blocking a public hallway. HPD classifies these as Class B violations.

Personal items or trash found outside of your apartment shall be removed at the resident's expense with no prior notice or warning.

Thank you for your cooperation.

Sincerely,
Management
